

MSSA 41st Annual Sailing Regatta

Online fundraising via our American Cancer Society Virtual Regatta!

You don't even have to be entered in the actual regatta. Just set up a team and raise money for this worthy cause. There is no entry fee required to participate in this virtual regatta!

To set up your "team", just do the following:

1. Point your browser to <http://acsengage.org/MSSA>. Once there, click the "Sign Up" button at the top right of the page.
2. You'll next be asked to log in or create a new account if you don't yet have one. If this is your first time in, click the "CREATE AN ACCOUNT" link and follow the instructions.
3. Once you're logged in, you'll be given the option of starting your own team, joining an existing team, or participating as an individual. Click on "start a team". The system will walk you through a few steps to name your fundraiser and set your fundraising goal, and to indicate whether you're participating with a group; click the "Enter your company, school, or club" button and enter MSSA.
4. The next few screens will ask for your personal registration and are pretty straightforward. You'll be offered to "kick-start" your fundraiser with an initial donation if you're so inclined.
5. Once that's all complete, you'll be taken to your Dashboard, where you can customize your fundraiser. Scroll down a bit and you'll find big blue rectangle; click on its little "edit pencil" to upload one or two photos - please do so with a snazzy picture or two of your boat! You can also personalize the "Why I support" description, and you'll also see tools to help you "get the word out" through Facebook posts and/or email messages. Easy, fast, fun — and remarkably effective.

If you prefer, you can also enter the virtual regatta by just sending a photo, along with a brief paragraph of what you want donators to see, to Bob Hall (rehtec@optonline.net), and he will have it put up on the ACS web-site page.

All fundraising money must be postmarked on or before September 10th
